# 2009 MICHIGAN PLUMBING & RESIDENTIAL CODE UPDATES

## Required For All Master and Journey Plumbing Licensees

### The 2009 Michigan Plumbing Code Becomes Effective Aug. 20, 2010

Under the requirements of Act 733 Public Acts of 2002, all journey and master plumbers are required to attend a **five-hour** Michigan Plumbing & Residential Code update **within 12 months** of a code update as a condition of license renewal (Before August 20, 2011).

## WHY SHOULD YOU ATTEND?

If you are a licensed journey or master plumber, you must attend a State Plumbing Board approved five hour code update class For the **2009** Code Edition and be able to verify your attendance to the Plumbing Division before your license can be renewed in the future.

After the code update class, all attendees who complete the five-hour class will have a certificate to take with them for their records.

## REMEMBER: THE PLUMBING LAW REQUIRES ALL LICENSEES TO COMPLETE THE REQUIRED FIVE HOUR CLASS WITHIN ONE YEAR OF THE CODE UPDATE.

The code update classes are open to all journey master plumbers and to inspectors who need the class as a condition of license renewal. Inspectors will also receive five hours of technical credit under the inspector's registration law, Act 54.

Chief Plumbing Inspector for the State of Michigan Bob Konyndyk will conduct the sessions.

The new commercial plumbing code will go into effect August 20, 2010. The Residential Code goes into effect on a later date but will be updated at this seminar. Many questions have arisen, as the code will be used in the field. This will be your opportunity to have those questions answered.

Registration is open to all masters, journeymen, inspectors, contractors, and suppliers who need to meet these licensing requirements. See the registration page for the date and location you prefer.

Each session is scheduled from 9:00 a.m. to 3:00 p.m. There will be an hour break for lunch on your own.

Attendees are encouraged to bring their personal copy of the 2009 Michigan Plumbing Code. Order forms for the Codebooks are included in this mailing if you need a copy. Copies of the **updates** to the Residential Code will be available at the seminar.

Advance registration is required. Seating and attendance is limited. See registration fees below and return your registration to MPMCA right away.
